

Victoria Gaulrapp

Speaker, Trainer, Facilitator, People Whisperer

Victoria is a gifted trainer and communicator. She is entertaining, engaging and so very thoughtful! I look forward to attending more of her trainings!

Julie Young
Julie's Healthy Changes
& Shaklee Corporation

Victoria understood our needs, provided information relevant for today's business climate and offered a variety of solutions to those "what if" situations that undoubtedly come up.

Matthew Brundridge
Stam Chocolate Lafayette

If you want to harness the power of your workforce, reach out to Victoria. It was a fun and enjoyable presentation as we all uncovered some "ah-ha" moments. Victoria is warm and personable, and I highly recommend her to drive results for your team.

Gregory K. Hernandez
G Karl Company LLC

Want a More Engaged, More Productive Workforce?

Are you looking for a proven, authentic professional who can improve internal communication and increase employee engagement? Are you seeking an expert who can move your teams from fear and disconnectedness to a culture which promotes business success?

Whether your business is in its infancy or has a solid, 100-year reputation, people are at the heart of what you do, and sometimes, they experience people problems. Victoria identifies and understands performance gaps, carefully analyzes needs and creates customized programs for your teams. She delivers intentional, meaningful experiences and tools you can implement immediately, and provides necessary follow up to ensure you stay on track.

- ◆ Develop a keen awareness of individual strengths and development opportunities
- ◆ Communicate effectively with others to foster productivity and reduce tension

From Pound Signs to Hashtags: Generational Communication and Influence

- ◆ Identify the primary generations in today's workforce and the characteristics that each generation identifies with
- ◆ Understand the influencers that impact all generations
- ◆ Recognize generational behaviors and sources of conflict
- ◆ Learn how to motivate intergenerational teams for maximum results

The Culture Concept: One Size Does Not Fit All

- ◆ Define what culture really is
- ◆ Explore foundational themes to ensure your culture drives performance
- ◆ Execute a strategy to ensure the best culture for your organization

Additional Topics

Victoria offers additional topics such as leadership, networking, professionalism, hiring, training and partnerships. Please contact us at 720.900.4393 if you'd like a custom keynote, breakout or training for your group or organization.

ABOUT VICTORIA

Victoria Gaulrapp is a keynote speaker, trainer and facilitator. She is known as a **People Whisperer** because for over 20 years, she has helped corporations break down communication barriers and build stronger relationships with colleagues and clients. Victoria knows that when teams are more engaged, they are more productive — and decidedly committed — to **DRIVE YOUR VISION** forward. She specializes in:

- ◆ Understanding human behavior styles
- ◆ Multigenerational communication and influence
- ◆ Leadership development

Victoria is passionate about improving individual and team communication, building stronger working relationships and helping leaders emerge. **DRIVE YOUR DEVELOPMENT** — *it's not just training, it's development.*
